

TRUTHS OF GOD'S DIVINE LOVE

By Jesus of Nazareth:

"Whosoever will pray in sincerity for the inflowing of this Divine Love will receive It. It is not a respecter of persons, and the sincere aspirations of the soul of any man, be he prince or peasant, rich or poor, will invariably cause this Love to come into his soul and change his nature so that he will become a new creature, and one not subject to death forevermore.

The merely intellectual prayers are not efficacious, for they do not have any effect in opening up the soul, and neither does much of this praying do the work. One little moment of this true praying will be more effective in causing this Divine Love to flow towards the soul than a whole lifetime of idle repetition of prayers that come from a source merely mental. And here, let me say that the mind is not the soul, and much less (is it) God.

There is nothing in all God's Universe that can take the place of this Divine Love for the purpose of making a man at-one with the Father and of causing him to become Divine insofar as he possesses this Love.

So, I say to all men, pray and pray, and never cease to pray for the inflowing of this Love, for there is not limit to its abundance or the amount which man or spirit can obtain. Always, in the Celestial Heavens, we spirits continually pray for an increased bestowal, and always our prayers are answered; but always there is more to follow.

With all my love and blessings, I am your brother and friend,

JESUS"

JESUS OF NAZARETH, the first to bring God's Divine Love and Immortality to light; the first to experience at-onement with the Heavenly Father through earnest, sincere prayer for the inflowing of the Divine Love into his soul.

When on earth, Jesus taught salvation from sin, and immortality of soul, through seeking the Kingdom of Heaven and being born again into God's Divine Love. As the Messiah of God, he became the perfect example of God's Love in man's heart.

Today, Jesus is Master of the Celestial Heavens of God's Universe, but is still working to bring the reality of the Divine love to awareness of mankind. The Prince of Peace and beloved Elder Brother is also recognized as the Divine, Eternal Leader of the:

...Our Gracious Heavenly Father has a most precious Gift for His beloved children – His Divine Love! This privilege Gift can become part of an individual's soul quality through sincere, prolonged prayer. When received into the soul, Divine Love changes the soul nature of the recipient from human to angelic, from mortal to immortal, from the image in which the soul was created into the very Essence and Substance of God's Divinity.

The enclosed prayer, given to us by Jesus of Nazareth through James E. Padgett, when offered with a sincere heart and humbleness, will bring forth a response from God Who will convey His Divine Love, through His Holy Spirit, into the soul of the prayerful person.

There is only one God, the Father, and we are all His children. He has created each of us in His image, with a soul that is a true reflection of His Divine Soul but without the Divine Essence of His Being. True religion is the relationship of our souls with the Great Soul of our Heavenly Father.

Our created souls in their original purity and perfection are loving, just and merciful; but when they take on the Father's Essence of Love, they become transformed into the Qualities of His Divineness. Some of these are His Divine Love and Goodness, Tenderness, Kindness, Mercy and Compassion. The Knowledge and the Wisdom that are embodied in His Love become increasingly our own. In addition, as He is Immortal, this Divine Quality becomes to us a thing of conscious realization.

Longing for the Divine Love causes It to flow into our souls, where It is felt as a radiant glow in the heart region. Its increasing possession in our souls causes God to become a Warm and Personal, Loving Heavenly Father to us forevermore. ■

Prayer for Divine Love

Our Father, who art in heaven, we recognize:

That Thou art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork's, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children--and not through the sacrifice and death of any one of Thy creatures.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy Holy Spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withholden from us.

Keep us in the shadow of Thy love every hour and moment of our lives and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones, who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father Who smiles upon us in our weakness and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

Healing Prayer

Heavenly Father fortify this day our mortal frames for Thy greater service;

Strengthen and preserve our sinews and our flesh;

Protect us from those organisms that abound on earth which assail and destroy our bodies with disease and pain;

Refresh us with the vigor of Thy restoration;

Make whole our bones and muscles;

Restore our aching limbs;

Repair and cure our hearts and hands and in Thy Great Love and Compassion for Thy children, reestablish us in fitness and in soundness in flesh and give us a New Birth in health in body as we humbly seek Thy Divine Love for the salvation of our souls unto eternal life with Thee.

Amen.
