FROM THE EDITORS

Greetings and salutations dear family in Christ. We honor you each in your individual efforts to progress towards the Fountainhead of God's Divine Love and for your collective efforts in spreading the Good News of the availability of His Love to all humankind. Each of us are given unique gifts to use in helping Father bring His children back to Him. By exemplifying His Love in our lives and through humility, we attract and show mortals and spirits alike, the truth of God's Divine Love. Let us pray to be strengthened in our efforts, to have greater faith that we do make a difference, and for a soulful knowing that we are loved.

In our daily prayers, let us follow the advice given to Ann Rollins when she ascended to the Celestial Kingdom. *And I was also told that there was a Way to get into this Celestial Sphere, and a Way so easy that the mere statement of it caused doubt. But I prayed for faith and the Divine Love, and, on an occasion, my faith brought the Divine Love into my soul in such abundance that I progressed to the First Celestial Sphere where I am now.* [ARDT, Vol. I., Page 299 | TGRABJ, Vol II., Page 27].

Thankfully, we don't have to wait until we pass over to progress to the Celestial Kingdom. A message from Jesus illuminates the possibility of reaching the Celestial Kingdom while we are still mortals! *God wants and is patiently waiting for the love of man, and He is always the Loving Father Who delights not in the suffering of His creatures. He wants their love to come voluntarily, and without constraint or fear of punishment or hope of reward, except that reward which must necessarily follow the blending of God's Love and the love of man.*

Then, I say, the Kingdom of Heaven on earth is not the Divine Kingdom, and it does not have that which is necessarily Divine in it (except the Love of God for His creatures to bless and make them happy). His Essence and Substance are not conferred upon them, however; for, if they were, men would not remain in the Kingdom of earth but would be, to a degree, in the Celestial Heaven, even while on earth (as I know that some men are in this Divine Heaven who are still mortals). [ARDT, Vol. I., Page 154 | TGRABJ, Vol I., Page 16].

It is our pleasure to bring you news of the Divine Love community. The DLSF plan on having meetings in November in Australia and December in Hawaii. We report on the Depoe Bay retreat that was recently held in Oregon. Tim Foley shares an adaptation of the Prayer Perfect (he presented this at Depoe Bay and it was quite moving). Holly Bianco's article tells us about the different ways that God influences us, and Eva Peck contributes a poem.

Past issues of the newsletter can be downloaded from the [Divine Love Community portal](#) (username: members, password: DivineLove) or from the [Divine Love Sanctuary Foundation website](#).

Contributions can be emailed to the editors at editors@fcdt.org (Michael Nedbal and Eva Peck)

DIVINE LOVE COMMUNITY MAP

The [Divine Love Community map](#), (username: *members*, password: *DivineLove*), has ten churches/prayer groups, 27 ministers, and 81 Divine Love souls registered. If you or your group would like to be included on the map, please send us your email address, location and a picture.

PRAYING ACROSS THE MILES

Whenever two or more pray at the same time for the best and highest while in the flow of God's Divine Love, even though we may be thousands of miles apart, the amount of spiritual light and power available in the world is significantly increased, leading to more miracles of light and healing! Such prayers bring us into a greater soul rapport with God, one another, and the angels. This can significantly magnify our efforts to be effective channels of God's Light, Love, Peace, Healing, and Harmony for the world.

DIVINE LOVE CONVERSATIONS (JEANNE FIKE)

Thanks to **Brooke Folk**, **Lorraine Borchers**, **Beth Mazur**, **Jesper Sørensen**, **Ruth Duvall** and **Bill Frase**, there are several conversation groups and opportunities available on Zoom, Facebook and WhatsApp. If you are interested in spiritual discussions and connecting with others around the world, please check out the following or contact [Jeanne](#) for more details.

- **Divine Love Sanctuary Facebook Page**

Beth Mazur, **Jesper Sørensen** and **Divine Love Sanctuary Foundation** recently created a [Divine Love Facebook group](#). It focuses on sharing spiritual experiences and inspiring others on their journey of praying for God's Divine Love. One or more group members post a question almost every day with several others commenting. During the first few weeks, over 30 topics were discussed with some amazing personal experiences shared. In fact, **Eva Peck** downloaded all the questions and answers posted and edited them into a book format (available for downloading from the [Facebook group page](#)) with the potential for wider distribution. If interested to join, go to the group and click "Join".

- **WhatsApp**

The new Divine Love Conversations group is complementary to the WhatsApp LightBringers prayer chat line. This group was initiated by **Ruth Duvall** and **Bill Frase** for LightBringers participants who wanted more conversation than simply posting a prayer request. To join the new group, contact Bill on LightBringers or, if not a member, click [here](#) for specific instructions on how to join LightBringers.

- **Chats on Zoom**

Thanks to **Lorraine Borchers** in Bend, Oregon, for initiating a "Friday Afternoon Chat" on the Zoom platform. It uses Brooke's account and the same login information as the Online Circles and takes place every second Friday at 4 pm Pacific Time, on alternative weeks to the new Divine Love Prayer Circle (see above). For information on how to connect, contact [Brooke](#).

- **Divine Love Conversations on Zoom Online Circles**

Brooke Folk together with **Al** and **Jeanne Fike** are available for informal conversation half an hour before each regular Zoom Online Circle. The connections between the participants are strengthened with each meeting!

Depoe Bay Retreat: Michael Nedbal

DEPOE BAY DIVINE LOVE LIGHTHOUSE RETREAT

A lovely spiritual retreat with the theme of “lighthouse” was hosted by Patricia Doyle and Holly Bianco at the scenic WorldMark Depoe Bay on the Oregon coast between July 20-27. Patricia led the group of seven who gathered from Northern and Southern California, Hawaii, Washington, and Australia.

The main focus of the retreat was to grow closer to our Heavenly Father through daily prayer circles, inspiring presentations by attendees, and nature activities. The presentation topics dealt with spiritual and physical healings, gratitude versus gratefulness, various ways of praying for Divine Love, and the ways in which we are influenced by God and other beings.

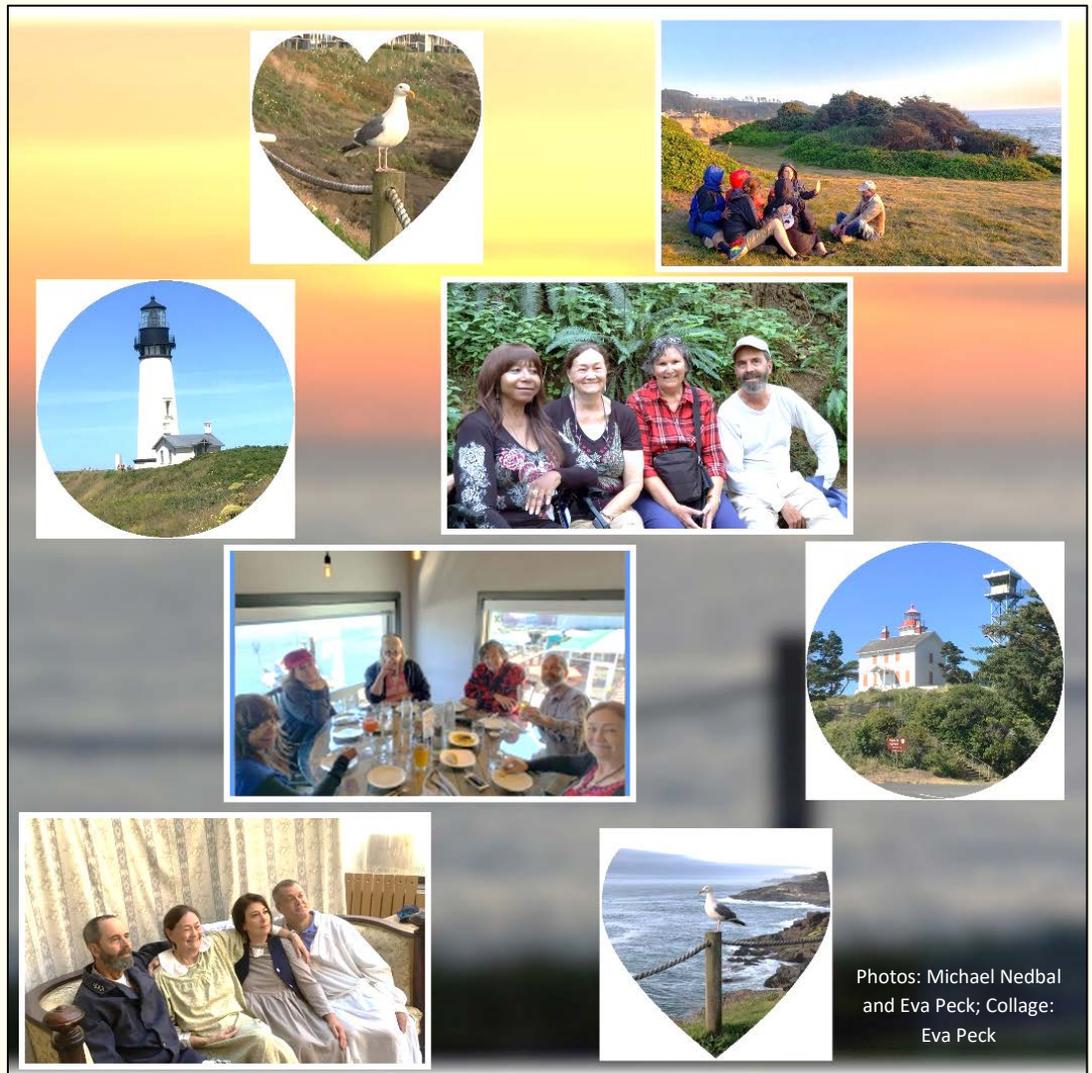

Photo: Eva Peck

Additional spiritual highlights included inspiring praise music, an uplifting healing meditation, and several focused healings. The group also shared information, insights and personal experiences while drawing closer to each other and enjoying God’s breathtaking creation in the form of picturesque countrysides and seascapes, spotting grey whales from our large accommodation windows, and watching glorious sunsets over the Pacific Ocean.

Afternoon group trips included browsing the Depoe Bay gift and souvenir shops and taking a whale watching boat trip on the sea; a short drive to Newport/Yaquina to see two lighthouses in order to better appreciate the theme of the retreat; and a two-and-a half mile round-trip hike through a lush forest to Drift Creek Falls, not far from Lincoln. On their final day, the group also enjoyed a picnic lunch and beach walk at the nearby Fogarty Creek.

The enjoyable retreat ended far too soon, but the group left spiritually edified and grateful for what they had experienced during their week together.

PRAYER PERFECT – ADAPTATION BY TIM FOLEY

Our Father Who Art in Heaven, our Creator and Provider, we recognize that Thou Art. Thou Art all Holy, unconditionally loving, merciful and forgiving, patient and understanding. And we are Thy children and not subservient, sinful, and depraved creatures. But we are the greatest of all Thy creations and the objects of Thy great Soul’s love and tenderest care.

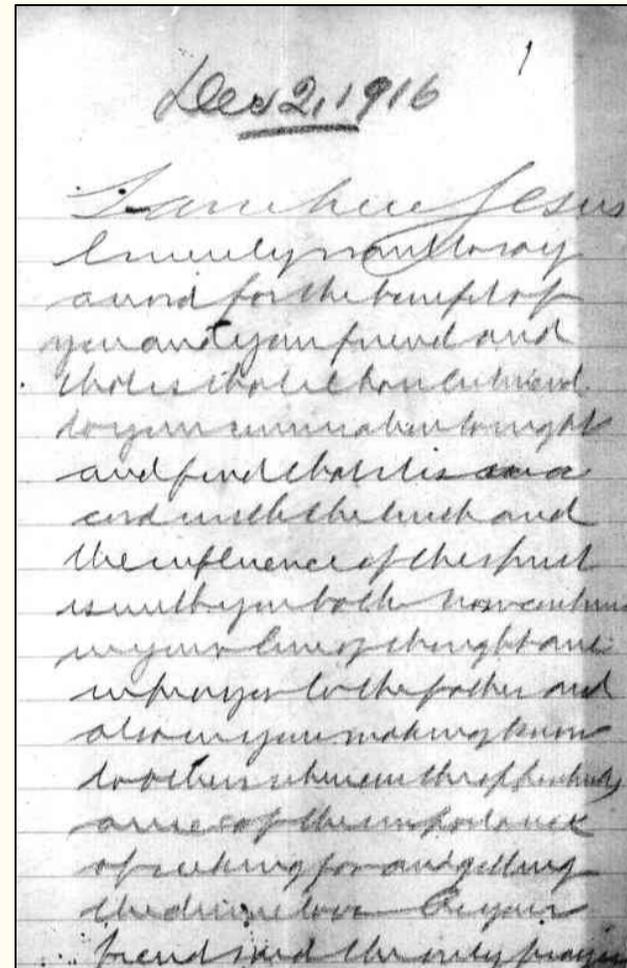

Father, we recognize that Thy will is that we become at-one with Thee... by coming to Thee in prayer throughout each day and evening and by partaking of the Great Love, that which we call Divine Love—the very essence of Divinity—which Thou hast offered to bestow upon us, through Thy Mercy.

Father we recognize Thy desire that we become in truth Thy children, through this Love by seeking for and receiving It into our souls.

And Father we pray that Thou will open up our souls to the inflowing of Thy Love with help from Thy ministering angels, whom we welcome here this evening. We pray that then may come Thy Holy Spirit to bring into the souls of each and every one present here this evening this – Thy Love – in great abundance. Let Thy Love enter and find within our souls a place that might be worthy of receiving It, worthy of becoming a dwelling place. Let Thy Love take possession of this place within us and become part of our souls, blessing us in every way by Its Presence.

Bas van den Eijkhof from Freeimages.com

Father, let us take this time to express the longings of our souls in silence, as we long to reach a closer at-one-ment with Thee and to gain a greater awareness of the Presence of Thy Love“ ...

[followed by 20 to 30 minutes or more of silent prayer ... then:]

Heavenly Father, let us continue to receive these wonderful Blessings each day as we come to Thee in prayer and let our souls continue to be transformed by Love’s Presence within us, as we begin to realize we are truly Thy children and one with Thee in very Substance according to the amount of Divine Love we have received and now possess, Which Thou hast bestowed upon us through Thy Mercy.

We thank Thee for Thy Love and the sacred privilege of receiving It, and we believe that Thou Art our Father, the loving Father, Who smiles upon us in our weakness and is always ready to help us and take us to Thy Arms of Love. And trusting in Thy Love and that Thy Love will always be there for us, we offer to Thee our love — all the love that our finite souls can give. Amen.

THE DIFFERENT WAYS IN WHICH GOD INFLUENCES US (HOLLY BIANCO)

Since the time we were born, we've all been bombarded with many kinds of external and internal influences, some for good, some not so good. Whether we are conscious of it or not, each of us has also been an influence to others. All influences generally produce one or more of the following effects: changing a belief or behavior, causing one to take action, or stopping one from doing something. Right now, I am influencing you as I share this subject matter.

There are many spiritual forces at work trying to influence us, those from God which is the highest influence and those from spirit life. For many years now, I have seen and heard spirits. These spirits all have a certain spiritual energy and influence about them. Some influences are very good, like the sweet angel who spoke to me about my son and said "Bless his heart," and then she threw me a kiss.

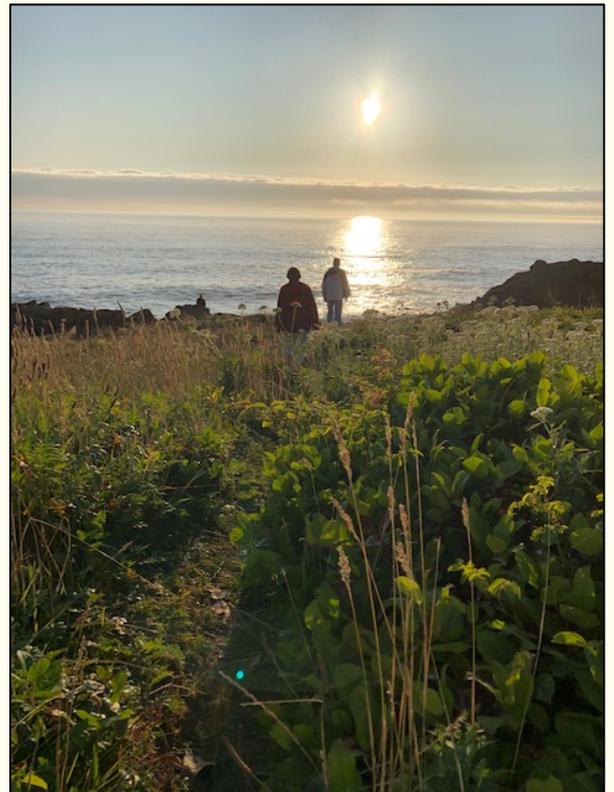

Other influences are not so good. For example, one night when I awakened, I saw a lost spirit over my head. His face was partially blacked-out so I couldn't see all of his features, only his chin. I could feel his soul condition which had a dark energy flow. Whatever vibes he was putting out, I wasn't buying it – I had no interest in it. So I turned away from him and went right back to sleep. I was surprised that I wasn't afraid of him. It seems this earthbound soul was trying to influence me, but it's possible he wasn't conscious of it and was just seeking help.

Even a place can have an influence on us. One time I was out of my body looking outside at a deep blue sky and in the distance was what looked like a shining star or planet. I believe it was a spirit sphere because I could sense it was a loving place with a city. It didn't seem too far away and felt like I could fly to it. It reminded me of Peter Pan's Never Neverland, the second star to the right. The influence and energy radiating from this place was one of spiritual goodness and goodwill. I could feel my soul resonating with this special place of light, as if it was speaking to my inner core and showing me that love and goodness is very real and can be felt. Whether or not this was the spirit world calling me, it influenced me to feel as if I was a spiritual being.

Now as to God, sometimes we don't think about how great and powerful is His influence. The same is true about how we perceive love's influence in this world. Humans have a hard time understanding what exactly is love, mainly because they can't touch it, measure it, or see it with their physical eyes. We've learned that love is a spiritual substance that can only be felt in the heart and this is relative in its intensity based on one's spiritual development.

I like to compare love's influence to one of the forces in our universe such as gravity. On earth, gravity is rather weak, but this is okay, as it works perfectly to maintain life here. However, gravity in other parts of the universe can be extremely powerful. For example, the gravity generated from a black hole could crush us and tear our atoms apart. So it is with love – it is fairly weak in this world, but very powerful and influential in the spirit world, and it's especially intense in the Celestial heavens.

If we were to stand in God's presence, we would feel His influence like nothing else. His will and influence would be so strong, that we would not be able to resist His goodness. No matter what the condition of our souls, we would all become perfect, obedient children in His presence. Our response to God would be "Yes, Father, anything you say". Why would this be? Because God's will is so good and perfect that there could be no other way but God's way.

Depoe Bay Retreat: Holly Bianco

I believe this is one reason why God created the physical universe, a world so different from His own. It wasn't just for us to become individualized and gain a form. God needed to give us our own space far enough away, but not too far, where we could freely move and exercise our free will. It doesn't mean His influence can no longer be felt, for it can. It means that to feel His presence and influence, we must seek it.

God influences us in various ways. It may not be His full force of influence, but rather a gentle influence through His instrumentalities. Here are a few passages from the Padgett messages on these wonderful influences.

Spirit influences on thoughts and desires: "In the first place, man must recognize the fact that he does not live to himself, alone; that what he conceives to be the workings of his own mind and will are not always the result of thoughts and desires that originate in him, but are largely the products of the influences of the workings of the minds of spirits who are around him, trying to impress him with their desires and wills; and consequently, you will understand that it is very important to man as to what kind of spirit influences he has surrounding and working upon him." (Luke, TGRABJ 2/371)

Spirit influences on man's natural love: "God never changes. His laws never change. Only man has changed from the perfection of His creation; and man must change again before that perfection will again be his. Now from all this it must not be inferred that man is left to his own efforts to bring about this great restoration, for that is not true, because God's instrumentalities are continuously at work influencing man to turn again to his first estate, and become the perfect man, as he ultimately will become." (Luke, TGRABJ 2/238)

Christian mother's influence: "No wealth or riches or position that a mortal may inherit can possibly equal the influence of that one little spark in the Christian mother who possesses some portion of the Divine Love; and there is none so poor as the spirit who comes into the spirit world without any recollection of having, at some time in its earth life, received in its soul the influence of that little spark." (Helen Padgett, TGRABJ 4/121)

The Holy Spirit's influence: "The Holy Spirit is the messenger of God and it can be in all places at the same time so that the penitents no matter how far apart can receive its influence and feel its saving Grace and Love. The Spirit is the power of God which He uses to influence men to seek His Favor and Love.....It is not necessary for the Holy Spirit to use other spirits to carry its love and influence. It of itself is able and all comprehending enough to influence the persons who seek for its inflowing." (Ann Rollins, TGRABJ 3/51)

God's Divine Love influence: "This Divine Love is also the influence which makes men on earth think and do that which makes for peace and good will among men. It is not possessed by all men, in fact, by comparatively few, yet its influence is felt over nearly the whole earth. Even those who have never heard of my teachings, or of my Father, enjoy the benefit of its influence; in some kind of belief or faith in an overshadowing spirit of great power and watchfulness. I know that this is true, for I have visited all parts of the earth, and have looked into men's hearts and found in them some elements of belief, which evidenced that this Great Love was influencing these unenlightened people. So, notwithstanding the fact that my gospel is not preached to every creature, as I commanded when on earth, yet this Love of the Father is everywhere and all pervading. Still, it is not received in all that fullness that enables those who feel its influence to realize that God is their Father, and they are his children, who may become members of his household in the Celestial Spheres." (Jesus, TGRABJ 2/33)

So even though we cannot feel the full force and power of God's influence, it doesn't mean He is not working in various ways and through different instrumentalities to influence us. His influences are with us and range from helping us grow in our natural love to opening our souls and seeking His Divine Love through the subtle and mysterious workings of the Holy Spirit.

In closing, this is my prayer: Dear Heavenly Father, we recognize your influences in our lives, all of which seek to draw us closer to You. We pray that your influences will continue to guide and protect us, helping us to always choose the way of love and goodness, and leading us to a bright and glorious home with You high up in Your Divine Heavens. Amen.

POETRY CORNER (SUBMISSION BY EVA PECK)

A Stranger Passed By

I ran into a stranger as he passed by,
 "Oh, excuse me Please" was my reply.
 He said, "Please excuse me too;
 Wasn't even watching for you."

We were very polite, this stranger and I.
 We went on our way and we said good-bye.
 But at home a different story is told,
 How we treat our loved ones, young and old.
 Later that day, cooking the evening meal,

My daughter stood beside me very still.
 When I turned, I nearly knocked her down.
 "Move out of the way," I said with a frown.
 She walked away, her little heart was broken.
 I didn't realize how harshly I'd spoken.

While I lay awake in bed,
 God's still small voice came to me and said,
 "While dealing with a stranger, common courtesy you
 use,
 But the children you love, you seem to abuse.

Look on the kitchen floor,
 You'll find some flowers there by the door.
 Those are the flowers she brought for you.
 She picked them herself: pink, yellow and blue.
 She stood quietly not to spoil the surprise,
 and you never saw the tears in her eyes."

By this time, I felt very small,
 and now my tears began to fall.
 I quietly went and knelt by her bed;
 "Wake up, little girl, wake up," I said.
 "Are these the flowers you picked for me?"

She smiled, "I found 'em, out by the tree.
 I picked 'em because they're pretty like you.
 I knew you'd like 'em, especially the blue."

I said, "Daughter, I'm sorry for the way I acted today;
 I shouldn't have yelled at you that way."

She said, "Oh, Mom, that's okay. I love you anyway."
 I said, "Daughter, I love you too, and I do like the flowers,
 especially the blue."

Are you aware that: If we die tomorrow, the company that
 we are working for could easily replace us in a matter of
 days. But the family we left behind will feel the loss for the
 rest of their lives. And come to think of it, we pour
 ourselves more into work than to our family -- an unwise
 investment indeed.

So what is behind the story?
 You know what is the full word of family?
 FAMILY= (F)ATHER (A)ND (M)OTHER, (I) (L)OVE (Y)OU!

Isn't that neat? Fill life with love and bravery and we
 shall live a life uncommon.

Divine Love is ever waiting to fill the soul, and will, when the soul longings become real for its possession.

I am here. St. John.

I heard your prayer and know that this Love is flowing into your soul and that now you have a great abundance of its possession of which you are conscious. It will never fail you when you pray in earnestness and with the real longings for its coming. It is always ready to respond to your aspirations and to make you feel its presence and the happiness that comes with it.

I, as you know, am your special friend in my work of helping to develop your soul, and whenever you pray to the Father, as you have just prayed, I come to you with my love and influence to help open up your soul to the inflowing of this Love. Have faith, and you will have the certainty of the presence of the Love, and that it is yours - seeking to come into your soul in greater and more abundance.

You are blessed in that you have the knowledge of the existence of this Love, and that it may be yours if you so will it to be, and pray with the true longings of your soul's desires. You cannot doubt the truth of what I write, for, as in the ordinary things of life, there is nothing so convincing as personal experience, and your experience is such that there has been no room for doubt. So if you would keep the consciousness of the presence of this Love continually alive, pray and pray whenever the opportunity presents itself, and by this I don't mean that you shall wait for a time when you are not engaged in your business affairs, but at moments when the mind may be free, even if only for a moment, from these business affairs. The longings, if exercised only for a moment, will bring their results; for God's ear is always open and ready to cause the responses to such longings.

One moment of true soul felt longings is more effective than hours of prayer where these longings are not present. The prayers of the lip or of habit rises no higher than the escaping breath, and does not cause the Love to respond and flow into the soul. Remember this, and then realize how futile are all the prayers of preachers and ostensible worshipers when the soul's longings and desires are not present.

Only soul can call to soul, and love responds only when such soul calls. The mere desires of the mind, if I may so express my meaning, do not in the least affect the soul, and as mind can operate only on mind, there cannot possibly be any activity of the soul's faculties, when only mind is in operation. Hence, you will see, that all the worship that comes merely from the mind will not effectuate the working of the Love or bring into operation the Spirit's work.

I write this to further encourage you, and also to make plain the necessity for the true prayer.

John.
